

**CITY OF LAKE FOREST  
MEMBER OF THE CITY COUNCIL**

**TIMOTHY J. KUBIK**

**AGE: 50**

**OCCUPATION:** Quality Representative

My name is Timothy J. Kubik. I have lived in the City of Lake Forest for 17 years and with your support and confidence, will be a member of the City Council. Through the application of my skills and the dedication of my efforts, I plan to produce positive results for the City of Lake Forest. As your City Councilman, I will make common sense decisions, which are based on the current and future needs of our residents.

My professional background and area of expertise is in program and budget management relating to the field of engineering design, development and production.

My past experience includes working at a private company, and representing the U.S. Department of State in the implementation of the Intermediate Nuclear Forces (INF) Treaty in the former Soviet Union and performing foreign and domestic program management capacities both overseas and in the United States.

I am a graduate of UCI and hold a Bachelor of Science Degree. My wife of 28 years, Lydiette, is a High School Spanish teacher and is bilingual. We have three children; Stephen, 23; David, 22; and Mary Ellen, 17.
